MATH TASK CARDS

Included in this product are:

- 24 task cards with questions based on the 4th grade math TEKS
- Recording sheet for students to record their answers
- Answer key so that you or the students can check their work

Some ideas for using these cards are:

- Test prep and review
- As a center
- Partner work
- Small group review or activity
- Independent work
- Scavenger hunt
  (My personal favorite-hang the cards in random order all around the room. Students hunt for each card and record their answers.)
- Play a whole class game such as Scoot
- Play Quiz-Quiz-Trade

MATH TASK CARDS

Teacher Instructions:

1. Print product on cardstock for durability

2. Laminate and cut apart individual task cards

3. Copy enough answer sheets for each student to have one.

4. Store in a folder, envelope, sealing bag, or hole punch each card and place them on a ring.

1

A book series has 935 pages in the series spread across 5 books. So far you have read 748 pages. How many more pages in the series do you have to read?

2

Jonah was given $100 for his graduation. He took his friend to the movies and bought two tickets for $10.25 each. How much of his graduation money does he have left?
